Re: Steven Alewine vs. Union Pacific Railroad

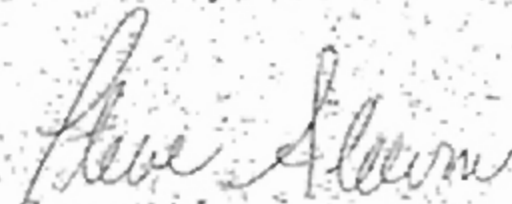

Dear Drew:

Thank you for all of your efforts on my behalf in my action against Union Pacific. I really appreciate all the support you gave me during this difficult time. The continued hope that you gave me helped to sustain both my family and me for all these past months.

I was very pleased with the outcome of the settlement. It seems that things worked out in this case like you always said they would.

Once again, thank you so much for your work on this case. If you ever need a reference from a satisfied client, please give me a call.

Sincerely,

Steve Alewine
