

To whom concerned

I Bobby H. Bedell, consulted Mr. Joe Bauer of Bauer & Baker attorneys at law in 1996 & 1997 concerning a back injury I had resulting from a fall off of a ladder while cleaning engine Banks at Springfield Mo. Diesel Shop.

I am well pleased with the representation that Mr. Bauer has done for me, he and his staff. I would recommend him to anyone. He is reasonable and fair in all his transactions, & I Thank you Mr. Joe Bauer
