

Dear Drew, Lowell, Joe And crew

I Just want to thank you guys so very much for all of the work that you all put in to my case against the B.N.S.F.

Had I not had you guys on my side I think the Rail Road would have ~~tried~~ to hide all the facts and put the blame on me.

I Also want to tell Lowell thanks in a big way. He is a ~~very~~ hard worker that digs in to help in any way he can. He is a very big plus for your firm.

Thanks again Don W. Blissett
