

Bauer & Baebler Law Firm.

Joe I would like to take this opportunity to thank you & your staff, for the friendliness, courtesy, and professionalism in which I was treated through the entire process of my case. It is very refreshing to know that there are still people out there, who care about people. As for Lowell not only is he a valued friend but he also knows Carmen and the Rail Road and is a great asset to the firm. It has been a pleasure meeting and doing business with all of you. Give Joan my best.

Thanks Again  
Jerry
